

Infection Prevention (Visitors)

"This is me, Dave."

"I'm visiting my brother Jeff at the hospital."

"Before I go in the room I notice these signs and put on the appropriate personal protective equipment."

"I might look a little silly but it's for a good reason."

"Because whenever I visit I like to bring a little gift."

"But I never want to bring a gift that isn't supposed to be there. Like a virus or a stomach bug."

"This PPE protects Jeff from unwanted gifts. It's like a wall."

"Dave, what's that?"

"Oh! ahhh...I must've brought that in... I don't know what this is."

"I want the balloons but I don't want that."

"I'll try not to give it to you... achoo!"

"Oh Dave!"

"Uh oh."

"Oh now that can't be good."

"Don't worry this wall stopped him."

"Don't leave that here. Take that with you."

"Personal Protective Equipment keeps you from giving unwanted gifts to the people you love. Just follow the signs."

"Get that bug..."
