

Trivia Time (11)

**Overview**

Pop Quiz: Trivia Time

Question 1

A golfer who scores two under par on a hole has just made a what?

Choices

Falcon, birdie, turkey, eagle

Conclusion

An eagle! And if you score an eagle on a par 3, you've made a hole-in-one!

Question 2

Let's try another. A violin bow is traditionally strung with what material?

Choices

Silk, cashmere thread, hemp cord, horsehair

Conclusion

Violin bows use the long hair from horses' tails, and it takes about 160 to 180 hairs to string a single bow.

Question 3

And finally, which of these diseases is not spread to people by mosquitoes?

Choices

Yellow fever, polio, malaria, West Nile virus

Conclusion

Polio is spread from person to person. It's not spread by mosquitoes. Thanks for playing!
