**Overview**

Pop Quiz: Trivia Time

Question 1

True or false: You burn extra calories when you drink cold water.

Conclusion

That's true, but the amount you burn is so tiny it won't really help you lose weight.

Question 2

Let's try another. How long did the pandemic known as the "Black Death" last?

Choices

4 years, 8 years, 10 years, 15 years

Conclusion

The Black Death raged for 4 years. During that time it caused an estimated 25 million deaths.

Question 3

And finally, Mount Kilimanjaro is located in which country?

Choices

India, Japan, Australia, Tanzania

Conclusion

Tanzania's Mount Kilimanjaro is the tallest mountain in Africa. Thanks for playing!
