

## Trivia Time (01)

**Overview**

Pop Quiz: Trivia Time

**Question 1**

True or false: Your fingernails are made of cartilage.

**Conclusion**

That's false! Fingernails are made of a protein called "keratin." Rhino horns are made of keratin, too!

**Question 2**

OK, let's try another one. How tall was Abraham Lincoln?

**Choices**

6 feet 2 inches, 6 feet 4 inches, 6 feet 6 inches, 6 feet 8 inches

**Conclusion**

At 6 feet, 4 inches tall, the 16th U.S. president towered over most other men of the time.

**Question 3**

And finally, true or false: Backgammon is older than chess.

**Conclusion**

That's true! Backgammon was played for thousands of years before chess originated. Did you get it?
